

EXPERIENCE LETTER

Naresh Khatri

Address : EWS 210, Sandipani Nagar, Ujjain, 456001.

To whomsoever, it may concern,

This is to certify that **Naresh Khatri** was working with **Brilliance Technology** from **12 March 2021** to **28 Dec 2021** as a **Flutter Developer**. The list of roles and responsibilities assigned to him/her during the tenure are listed below-

List of Roles and Responsibilities:

- Develop high-volume, low-latency applications for mission-critical systems, delivering high-availability and performance.
- Contribute in all phases of the development lifecycle: concept, design, build, deploy, test, release to app stores and support.
- Diagnose performance issues, fix bugs (including crashes and ANRs) to increase the functionality of the application.
- Write well designed, testable, efficient code.
- Ensure designs are in compliance with specifications.
- Prepare and produce releases of software components.
- Support continuous improvement by investigating alternatives and technologies and presenting these for architectural review.
- Collaborate with team members (product managers, developers, designers) to brainstorm about new features and functionalities.

We validate that **Naresh Khatri** is a sincere, hardworking, and honest person. She will surely prove to be a great employee for the other organization.

Sincerely,

HR MANAGER
